"A lovely book. It offers the most balanced view of Japan... Strong and delicate, it resembles the Japanese people Cathy Davidson describes." —MARILYN FRENCH, author of *The Women's Room*

"A brilliant, wise, and witty book....Any Westerner who thinks they understand, or wants to understand, the contrasts between Japanese culture and our own...must read this book."
—LOUISE DESALVO, author of *Virginia Woolf*

"36 Views of Mount Fuji resonates like one of the Japanese temple bells she so hauntingly describes: profound, clear, and unforgettable."

—SUSAN ALLEN TOTH,
author of *Blooming* and
*My Love Affair with
England*

"A wonderfully comic, poignant, and fact-filled travel story."

Nature Writing

The nature writer's job is not to limit or encompass nature, not even necessarily to explain or interpret it, but to show it to us in all its scope: its beauty and its repulsiveness, its sociability and its utter alienness, its nurturing and its destructive elements . . . and in so doing to extend our own humanity.

—Robert Finch
