## Format For The Black Student Union

### 1. Purposes of B.S.U.

- A. B.S.U. should be designed to provide leadership for Black students in particular and Black People in general.
- B. It should provide education being relative not only to us as students but as members of the Third World.
  - 1. It should educate the Black student toward building a real sense of unity and collectivity.
  - 2. It should provide not only leadership, but also leadership training.
  - 3. It should provide a basis for establishing an educational system that teaches us the true nature of this racist American system.
- C. The actions instituted by B.S.U. should be orientated towards direct revolutionary action.
- D. The principles upon which it is based should be responsive to the will and the needs of the people at all times.
- E. B.S.U. should always solicit the direct participation of all Black students.

### 2. Leadership

- A. Leadership of B.S.U. should be responsive to the will and needs of the people.
- B. Leadership should be vested in a Central Committee of members who are devoted to the principle of self-determination and the liberation of Black People.

1. Members of the Central Committee should be elected from the general membership of B.S.U., by a simple majority with absentee balloting over a period of 2 days.
2. The Committee should consist of 7 members with a chairman.
3. The Central Committee should enforce the rules and regulations that the body sets and insure implementation of these rules and policies affecting the B.S.U.. It should recommend changes in policies to the body.
