Haley Enriquez   Speech for CDA Talk

-Introduce briefly what the class is and what my project is

-Specifically define CDA and what it is just to let the audience know

-Start with the research question and explicitly state what I was trying to achieve

-Introduce Michael Finch & James Charles just to give a background to the audience inc are

people don't know who they are

-Begin with really brief previous research that has been done on the topic already

-Begin with my study and what I did specifically and my methodology

-Begin with main findings and the two themes I ultimately found

-End with future suggestions and limitations
